# BIOCAIR®

**PROTECT YOURSELF & YOUR LOVED ONES**

**ELIMINATES UP TO  
99.999%  
OF AIRBORNE AND  
SURFACE PATHOGENS**

**DISINFECTANT ANTI-BACTERIAL  
ANTI-VIRUS POCKET SPRAY**

**Kill  
99.999%  
bacteria & viruses  
in under 60s**  
**SCIENTIFICALLY TESTED**

### BioCair® BC-65 Disinfectant Pocket Spray

is a non-alcohol, non-toxic, non-corrosive disinfectant made with only pure water and BC-65. Kill **99.999%** bacteria and viruses under 60s including yeast, fungus, bacteria and viruses.

Expectant mothers are more susceptible to illnesses, and should take more precaution to prevent falling ill. Disinfection plays an important role in reducing the amount of contact with harmful pathogens.

**NON-TOXIC™  
BC-65  
EFFECTIVE**

**Personal Care  
On-the-go**

Testing accredited by TUV SUD PSB Singapore. Use pocket spray on common touch points such as:

*\*Spray on and wait for 60-seconds, no rinsing required*

- Non-Toxic & Non-Irritant
- Fragrance Free
- Non-Corrosive
- Alcohol Free
- PH Neutral
- No Eye Irritation
- Eco-Friendly
- No Ingestion Toxicity
- No Acute Inhalation Toxicity
- No Skin Irritation

Another Innovation and Intelligence by GLEXUS

Support Prevention of HFMD

**Kill HFMD virus within 60 seconds**

## BIOCAIR®

suitable for use anytime, anywhere  
**Approximately 375 sprays in each bottle!**

**BioActive Anti-HFMD Pocket Spray** is specifically formulated to eliminate the viruses that cause **Hand Foot and Mouth Disease** and has the power to eliminate **99.999%** of HFMD within 60-seconds of contact. The BioActive Pocket Spray is non-toxic, alcohol free, pH Neutral, eco-friendly, fragrance Free, non-sticky, safe if ingested, a non-irritant and Child-friendly formula.

### How about my infected child?

HFMD can be spread by direct contact with the nasal discharge, saliva, faeces, and fluids from the rash of an infected person.

**Disinfect surfaces that your child is in frequent contact with, to prevent contamination.**

*\*Spray on and wait for 60-seconds, no rinsing required*

- Non-Toxic & Non-Irritant
- Fragrance Free
- Non-Corrosive
- Alcohol Free
- PH Neutral
- No Eye Irritation
- Eco-Friendly
- No Ingestion Toxicity
- No Acute Inhalation Toxicity
- No Skin Irritation

### WHAT IS THE DIFFERENCE IN THE BIOACTIVE AND THE DISINFECTANT POCKET SPRAYS?

Both will kill all the nasty viruses and bacteria, the BioActive Pocket Spray is formulated for the fastest possible kill time on Hand Foot Mouth Disease (HFMD) while the Disinfectant Pocket Spray remains great for killing all the germs.
